

company philosophy and commitments

policy statement

SCEE will endeavour to conduct its business in a professional manner at all times and operate with integrity within the organisation as well as for Client and suppliers.

SCEE will work in accordance with project requirements and develop project specific management plans upon award of projects. These plans may consist of Safety, Health, Environmental and Quality Management Plans, Human Resources Management Plans and Indigenous Management Plans.

SCEE will always adopt a pro-active approach to the implementation of these plans in an effort to ensure the safety, health, harmony and wellbeing for its employees, as well as caring for the environment we work in.

SCEE will furnish the above documents or supply any additional information upon request by our Clients regarding these documents where practicable.

SCEE will always work within the bounds of Awards or Agreements that may be applicable to any particular workplace or work site.

SCEE will endeavor to establish, maintain and continually improve all systems of work.

SCEE will be committed to the training of its personnel in all areas of our work, and to creating a close working relationship with our employees, at all levels.
